Who We Are

About U.S. Surgitech

U.S. Surgitech is a small, minority-owned business that began with a revolutionary vision for the surgical consulting industry – to pair excellence in quality and service with unmatched affordability.

Through our unique understanding of product manufacturing and distribution, we strive to provide innovative surgical solutions for each member of our diverse and wide-reaching client base. We distribute a vast selection of products to a varied audience, including outpatient surgery centers, clinics, hospitals and government institutions – many of whom are at the vanguard of healthcare services with their own reputations in excellence to uphold. Our products help make upholding excellence simple.

In an industry that is constantly shifting, adaptability to new best practices and regulations is vital to success. Our cutting-edge services, coupled with our commitment to providing honest solutions, help clients navigate industry changes expertly and quickly.

We devote ourselves to the quality of materials and fine craftsmanship of our product, so clients can conduct healthcare services with confidence and trust.
